

# Business in the NDIS Environment

This workshop is designed to suit an organisation looking to reinvigorate itself to be able to perform effectively in the NDIS environment.

## TOPICS COVERED INCLUDE:

- How disability funding has changed the landscape
- Challenges faced by service providers
- Not-for-Profit & Not-for-Loss
- Roadblocks and bottlenecks
- Opportunities for improvement

This workshop can be customised to meet the needs of your organisation to best suit your purpose.

Whether you need a keynote address for your next strategic planning or staff development day or a full day interactive workshop we can tailor to your needs.

This workshop is presented by someone who has been through the journey and brings a lived experience to the activity.

**This training is designed to be delivered to your team, on your site. Contact us to discuss your organisation's needs, options for delivery and pricing.**
